

ELECTRICAL INSPECTION BULLETIN	Bulletin no.	84-165-2-5
	Effective date:	November 4, 2019
Adoption of the 2018 Canadian Electrical Code Part 1 (24 <sup>th</sup> Edition)	Page	1 of 2

As of **November 4<sup>th</sup>, 2019**, under Section 11, subsection (a) of the *Electrical Installation and Inspection Act Chapter 144*, the edition of the *Code* adopted under Section 2 of Regulation 84- 165, is “CSA Standard C22.1-18, Canadian Electrical Code Part I (24<sup>th</sup> Edition)”, Safety Standard for Electrical Installations.

*Amendments to Code rules are detailed in Section 2 of Regulation 84-165 (see page 2).*

**Effective January 1<sup>st</sup>, 2020**, all electrical installations and electrical designs in New Brunswick shall be completed in full compliance with the 2018 Canadian Electrical Code.

**Prior to January 1<sup>st</sup>, 2020**, electrical installations may be completed at the option of the permit holder under the 2015 or the 2018 Canadian Electrical Code edition provided that the electrical plans, where applicable, have been accepted by Technical Inspection Services and a permit covering the installation has been issued prior to January 1<sup>st</sup>, 2020.

Technical Inspection Services reserves the right to determine whether electrical work has in fact commenced on any installation prior to January 1<sup>st</sup>, 2020.

<b>Adoption of the 2018 Canadian Electrical Code Part 1 (24<sup>th</sup> Edition)</b>	<b>Page</b>	<b>2 of 2</b>

Section 2 of New Brunswick Regulation 84-165 under the Electrical Installation and Inspection Act is amended

(a) in the definition "Code"

(i) in the portion preceding paragraph (a) by striking out C22.1-15, Canadian Electrical Code, Part I (Twenty-third Edition)," and substituting "C22.1-18, Canadian Electrical Code, Part I, (Twenty-fourth Edition)";

(ii) in paragraph (b) by striking out "Rule 6-206(1)(e)" and substituting "Rule 6-206(1) (c)";

(iii) by repealing paragraph (b.1);

(iv) by repealing paragraph (b.2) and substituting the following:

(b.2) Rule 26.712(e) is replaced by the following:

26- 724(e) The receptacles specified in

(i) Item (d) shall not be located on the area of a counter directly in front of a kitchen sink or on the area of a wall, a permanently fixed island or a peninsular counter directly behind a kitchen sink, and

(ii) Items (d)(iv) and (v) may be located on the side of a permanently fixed island or a peninsular counter if the receptacle is no more than 300 mm below the counter and the counter extends no more than 150 mm beyond its support base or on or above the counter of the permanently fixed island or peninsular counter.

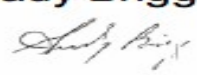

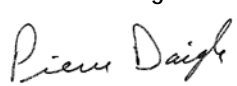

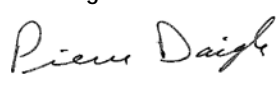

(b) by repealing the definition "professional electrical engineer";

(c) by adding the following definition in alphabetical order:

"professional engineer" means an electrical engineer who is registered as a member under the *Engineering and Geoscience Professions Act*; (ingénieur)

2 Subsection 17(2) of the Regulation is amended in the portion preceding paragraph (a) by striking out "a professional electrical engineer" and substituting "a professional engineer".

3 This Regulation comes into force November 4, 2019.
