

# 2023 Volume II Chapter 6 Highlights

**Lack of documentation pertaining to approval, estimated costs, anticipated or actual benefits of travel**

**We could find no documented evidence of virtual attendance or budgetary considerations**

**We found that school districts were aware of Policy AD-2801 (the travel policy) and the guidance provided pertaining to travel for government business**

## **Overall Conclusion**

We concluded that districts were aware of Policy AD-2801, however there was a lack of documented analysis to show that travel was the most economical and efficient method to achieve a desired outcome and to demonstrate the benefit of the travel to the Province.
