

2023 Volume II Chapter 7 Highlights

This chapter is a tool for the Public Accounts Committee (PAC) and the public to hold government departments and Crown Agencies accountable for prior recommendations by the Office of the Auditor General.

A detailed review found that 55% of our recommendations from 2019 audits have been implemented

Entities have self-reported they have implemented 63% of our recommendations from 2020 and 2021 reports
