

2024 Volume II Chapter 5 Highlights

This chapter is a tool for the Public Accounts Committee (PAC) and the public to hold government departments, commissions and crown agencies accountable for the implementation of prior performance audit recommendations.

<u>2020 audits</u>	<u>2021 audits</u>	<u>2022 audits</u>
57% implementation	100% implementation	71% implementation
Public Accounts Committee should hold departments accountable for the implementation of our recommendations
