

2024 Volume I

Chapter 2 Highlights

Lack of oversight	Undue risks to the province	Lack of vendor selection processes
Government spent over \$173 Million on travel nurse contracts as of February 29, 2024		

Overall Themes

Overall themes noted in our work were:

- Covid-19 exacerbated an already dire health care staffing shortage
- poor documentation pertaining to vendor selection processes
- noted risks to government pertaining to contract development, content and execution
- lack of demonstrated value for money
- inadequate oversight of contracts
- lack of processes to ensure goods and services paid for were received
